(Handwritten signature)

1. Introduction

TMI Systems is a 25 year old organization based in Bengaluru, managed by Mr. Suresh Rangan (Proprietor). The company is in the field of Electrical and Electronic Test-Measurement, Bio-medical Instrumentation and Biotechnology offering products, solutions, services and training to Technical Institutions and the corporate sector. TMI Systems works closely with the Educational Institutions undertaking Research and Development (R&D) activities.

TMI Systems has in its fold a group of experts who have a rich experience in the field of Test and Measurement, Electronics and Biomedical Instrumentation. The team has a combined experience of over 25 years in the area of T&M, Biomedical Application.

The company started in 1995, has a team of entrepreneurs with a vision to provide leadership and technical management expertise not only to the Engineering companies but also to the aspiring young graduates and post graduates entering into the fields of Electronics and Communication, Biomedical Instrumentation Research activities.

Bapuji Polytechnic, Davanagere was established by Bapuji Educational Association, Davanagere in the year 1985 with a vision to provide technical education to the students. Starting with --02----branches, the Polytechnic grew both quantitatively and qualitatively. At present it is offering 3 years Diploma Courses in 07-disciplines.

Bapuji Polytechnic is adjudged as one of the Best Polytechnic in the State of Karnataka.

2. Objectives of Cooperation

The main objective of this MOU is to provide a platform to build a strong and on-going relationship between TMI Systems and Bapuji Polytechnic. The primary goals are –

- 2.1 To develop and foster strategic linkages with Dept. of Electronics and Communication Engg, Bapuji Polytechnic and the technical team of TMI Systems.
- 2.2 To assist the students and enhance their knowledge about the latest technologies in which Research is involved.
- 2.3 To understand the needs and expectations of both the institute and the organization and to identify the measures required to meet requirement therein.

3. Coordination

TMI Systems and Bapuji Polytechnic will establish a "joint working group" for coordination. Both parties will ensure that the joint working group comprises of appropriate personnel to discuss and implement the measures mentioned in this MOU. From Bapuji Polytechnic, it would be the HOD and designated Faculty co-ordinator. From TMI Systems it would be the designated Directors/Managers of the company. Both parties shall take all reasonable steps to cooperate and ensure successful implementation of all the measures mentioned in this MOU.

S. Kumar

M. Suresh

4. Mechanisms for Cooperation

The "Joint working group" will implement, administer and execute the following measures as under –

- 4.1 **Technical presentations and talks at Bapuji Polytechnic**
TMI Systems will provide its speakers to participate and deliver technical presentations and talks on topics that are jointly decided by Department of Electronics and Communication Engg., **Bapuji Polytechnic** and TMI Systems.
- 4.2 **Sponsorship of technical events and symposiums at Bapuji Polytechnic**
TMI Systems and **Bapuji Polytechnic** will jointly participate in technical events and symposiums at **Bapuji Polytechnic**. The final decision though will be taken on a case to case basis after review and discussion between the two parties.
- 4.3 **Teaching Undergraduates and Post-graduates students**
TMI Systems proposes to participate in the teaching of the **Bapuji Polytechnic** syllabus of Electronics and Communication Engg., to the extent of 20% to 30% in selected subjects where industry inputs are desirable.
- 4.4 **Placement of Toppers and competent students**
Joint working group of TMI Systems and **Bapuji Polytechnic**, will endeavor to assist in the placement of toppers and competent students of final year which will be need based and demand driven.
- 4.5 **Providing Internships to students**
TMI Systems and **Bapuji Polytechnic** will support technical competence in students by providing internships to students during vacations as recommended by the joint Committee of the industry and Institute.
- 4.6 **Industry Institute Interaction**
TMI Systems would propose an advisory service and participation for a robust industry interaction. These may include suggesting ideas for strengthening academic content, planning of academic curriculum and syllabus and subsequently facilitation of R & D in Biomedical Instrumentation.
TMI Systems would provide advisory service to Electronics and Communication Engg., department to facilitate the faculty to pursue research in areas relevant to industry and in bringing in collaborative / sponsored research projects to the department.
- 4.7 **Bapuji Polytechnic Library Access**
Bapuji Polytechnic will provide access to their library, journals, e-journals to designated personnel of TMI Systems. **Bapuji Polytechnic** will also provide floor area for the display of the magazines, posters, journals and scientific materials, for the benefit of the students. However it will exclude advertisement, propaganda materials.

5. Confidentiality

Either party guarantees and acknowledges that all information whether in writing or oral or otherwise obtained from other party under this MOU would be kept strictly confidential during the MOU or after its cessation for a period of 2 years, either party shall not divulge, disclose or impart to any third person/organization. The provision of this clause shall survive the termination of this MOU.

S. Kumar

M. Kumar

6. Miscellaneous

- 6.1 This MOU shall be valid for a period of 24 months from the date of signing by **Bapuji Polytechnic & TMI Systems**. This MOU shall be renewed for further term with mutual consent. Either party may terminate this MOU by giving 30 days prior written notice to the other.
- 6.2 Neither party hereunder shall be liable for any consequential loss or damages arising out of the performance of obligations under the terms of this MOU.
- 6.3 There shall be no financial commitments from TMI Systems to Bapuji Polytechnic and vice versa unless clearly spelt out in separate document on case to case basis.

List of activities proposed to conduct under MOU with TMI:

- 1) Project based presentation-an Introductory talk on Health care
- 2) Project Presentation
- 3) Paper Presentation
- 4) Industrial visit
- 5) Public awareness program
- 6) Value added Course/Workshop
